

Testimonial Letter for FeeAdvocates

From Harpwood Trophies & Gifts

To Whom It May Concern,

We at Harpwood Trophies would like to express our sincere appreciation for the outstanding service provided by FeeAdvocates. In 2013, we were referred to FeeAdvocates by the Welland Chamber of Commerce, a decision that has greatly benefited our business over the years.

From the very beginning, FeeAdvocates helped us achieve significant savings—over 40%—in our credit and debit card processing fees. Their expertise was immediately evident, not only in identifying areas for financial improvement but also in navigating the changeover process. They assisted us in preparing all necessary forms and, most importantly, helped us avoid what could have been substantial cancellation fees during the transition.

Beyond these initial savings, FeeAdvocates has continued to be a reliable partner. Whenever challenges or questions have arisen, their support team has been there for us, providing timely advice and assistance. Their dedication to customer service and their commitment to our ongoing success have truly set them apart.

We highly recommend FeeAdvocates to any business looking to reduce processing fees and improve their financial operations. Their professionalism, knowledge, and unwavering support have made a meaningful difference for Harpwood Trophies.

Sincerely,

Ron Harpwood
